Changes to Rules for the 2016 Sports Series

NUMBER OF ROUNDS

In 2016 the series will be run over ten (10) rounds in total.

MODIFIED VEHICLES

If any vehicle competing in other than Open class differs from the standard specification of the model designated in its registration form, then such differences must be clearly identified in writing on the registration form or have subsequently been notified in writing to the Sporting Director. The Club Committee will verify eligibility in any class. Any differences may cause the vehicle to be reclassified. In principle improvements to the brakes and suspension that do not modify the attachment points are allowed. Modifications that include modification to the suspension pickup points or geometry may put the car into a higher class. Engine modifications are allowed but BHP gains need to be factored into the power/weight ratio.

ELIGIBILITY

The Club Competition will be open only to financial members of the Porsche Club of WA driving any of the Porsche models listed in Appendix 1 to these Rules or as otherwise specified by the Club Committee.

Members may drive vehicles of another make, but these are not eligible for awards in the competition. The one exception to this rule is the Women's Plate. Acceptance of non-Porsche entries shall be at the discretion of the Club Committee.

Female club members are automatically eligible for the Women's Plate competition and do not have to be driving a Porsche. If they are driving a Porsche, they are also automatically competing in the other divisions of the club competition. Non-Porsche cars will still be classed as per their power to weight ratio and will be awarded points towards the Women's Plate only based on where they notionally placed in that class on the day.

CLASS CHAMPION AWARDS

Scored over eight rounds, so drop two rounds. At least one of the rounds counted must be at Barbagallo or Collie Circuits.

In the event of a tie then additional rounds will be counted to break the tie. For example, the ninth round will be counted and the highest points scorer wins, if there is still a tie then the tenth round is counted to break the tie. If all ten rounds are counted and there is still a tie then both drivers will be awarded equal placing e.g. equal first, 2nd or 3rd. If we have equal winners for a place e.g. 1st they both receive a 1st place trophy and a 2nd and 3rd place trophy is still awarded.

CLUB CHAMPIONSHIP AWARD - PERPETUAL TROPHY

If we have equal winners for a place e.g. 1st they both receive a 1st place trophy and a 2nd and 3rd place trophy is still awarded.

Awarded to the female competitor who accumulated the highest number of class points, from their best six rounds. At least one of the rounds counted must be at Barbagallo or Collie Circuits. Trophies to be presented to the 1st placed competitor.

The outright championship award recognises the fastest driver/car in the competition.

Points are awarded on a descending scale with a maximum of 20 points available for each round. All competitors from 16th place onwards receive 5 points.
